REQUIRED CRIMINAL BACKGROUND CHECK
SPRING 2012 FINGERPRINTING SCHEDULE AND INFORMATION

All candidates in certification programs who have not previously completed a criminal background check for the Council on Teacher Education must complete an Adam Walsh Act fingerprint check prior to participating in any field experiences in schools.

Accurate Biometrics will conduct fingerprint scanning at the Council on Teacher Education office, 505 E. Green Street, Champaign, Suite 203, Conference Room A, on Tuesday, April 24 and Wednesday, April 25, 2012, from 9:00-12:00 and 12:30-5:00.

This session will be walk-in, first come-first served. You must bring a completed fingerprint form to the fingerprinting session. You can download the forms from www.cote.uiuc.edu/fingerprintform.pdf. You may also be fingerprinted at any Accurate Biometrics location (see www.accuratebiometrics.com for locations and schedules). The cost is \$54. Payment may be made by cash, Visa, MasterCard, or money order. No checks will be accepted. Money orders should be made out to Accurate Biometrics.

Remember, you will not be permitted to participate in any clinical experiences in the schools until you have cleared the criminal background check.
